

Jessy-Bruce Triplett-Arestirado

Meanwhile, the name **Jessy-Bruce Triplett-Arestirado** became an international term.

In Germany, the Artist of multi-cultural background is known from a soap called **Abschlussklasse 2005** and diverse TV-commercials for **Sony Ericsson** or **German cable TV**. Besides, the also successfull model hosted the evening programm of **TIMM-TV** and was voted one of Germany's five sexiest men by womens magazine **Jolie**, in 2008. Within Americas dream factory California, the liberal artist exclusively stands in front of the camera for **TitanMen** and their high-gloss all male erotica productions.

That **Arestirado** is also a good singer, we know since his little repartee with the juror of Germany's **Pop Idol** and his convincing participation on Germany's **X Factor**.

Germany's most influential newspapers, such as **Focus** and **BILD**, have already reported about his first song **Ti Voglio** and Europe's most successfull fitness company **McFit** nominated his following song **Sweet Dreams**, a cover of the Eurythmics classic, as their **Top-Tip**, which has been playing in all of their studios, since then.

Though now, Arestirado has also achieved to internationlally convince with his music. The known furniture and life-style company **KARE**, which is globally represented in about 48 cities and 23 countries, has hired the singer and songwriter for the music of their new collection and with the promotion-teaser-songs **Las Vegas** and **Striptease** he enthused so much that **KARE** is now financing his entire album, which will be released on sale, autum 2011, within all their stores, worldwide.
